

U.S. National Phase of PCT/KR04/00741  
Preliminary Amendment dated: January 6, 2005

**REMARKS**

Applicants submit herewith an English translation of the application which was originally filed in Korean.

Applicants have amended the claims in order to reduce the initial filing fee by deleting the multiple dependent claims from the application. Applicants have added new claims 13-20 to reintroduce some of the canceled subject matter. However, Applicants retain the right to reintroduce any further subject matter canceled by the present Amendment at any time during the prosecution of this application or any further application claiming benefit of this application. The claims now present in the application are claims 1-20.

In view of the above amendments, an early action on the application is now in order and is most respectfully requested.

Respectfully submitted,  
BACON & THOMAS, PLLC
